# SIGNATURE COLLECTION

Founded in 1841 by Mr. John Maple, in the furniture hub of London's Tottenham Court Road, Maples, were considered one of the best manufacturers of English Formal Furniture in the 19th and early 20th centuries. Workshops and shops spanned the globe; from Buenos Aires to Smyrna (known now as Izmir, Turkey) with clientele that included Queen Victoria, King Edward, the King of Siam and Tsar of Russia.

These new additions to the Signature Collection; The Fine Mahogany Side Cabinet with Pictorial Marquetry of Paris and Helen; Fine Mahogany Side Cabinet with Floral Marquetry Inlays; Fine Mahogany Sideboard with Floral Inlays and Fine Mahogany Bed Side Cabinets with Floral Inlays, are representations of the original firmly attributed to Maples c.1880.

As Maples close their last remaining Paris based store this year Jonathan Charles introduces these timeless pieces to the Signature Collection as testament to the fine craftsmanship, heritage and enduring beauty of Maples furniture.

Limited edition of 200 pieces each. Individually signed and numbered, including a keys box. The interior lined with golden cream silk and aromatic cedarwood.

# ICARUS COLLECTION

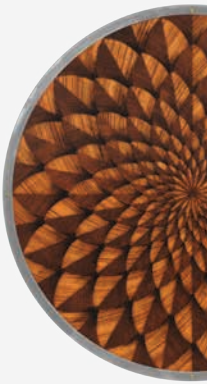

Exquisitely hand carved pieces interwoven with a rich tapestry of intricate inlays, gilt finishes and jewelry fittings. Its central theme of wings and delicate feathers draws its inspiration from Greek mythology. Icarus, the son of the Daedalus, a remarkable Athenian master craftsman, used a pair of beautifully hand crafted wings that his father had made to escape from the island of Crete. Like Greek mythology The Icarus Collection captivates its audience, enchanted and spellbound, with beautiful and delicate design.

WILLIAM YEOWARD ...collected is exactly that! A collection of furniture both loved and admired over some thirty years of furniture making and decorating." His unique perspective as a decorator and self-proclaimed "collector of beautiful things" informs the vision behind this collection for Jonathan Charles. "It's simple," says Yeoward. "I just design what I see as objects of desire, and Jonathan Charles' signature artisanal craftsmanship techniques highlight the beauty of the products, adding bespoke charm that is unprecedented by other manufacturers."
